Sir

I beg to state that I have been serving in this Union as Sanitary Inspector for more than 2 years and have effected good many improvements. Though I am doing the function of a Sanitary Inspector I am styled, "Sanitary Maistry" as I am not qualified. I was a plague Inspr in the District and Bellary Municipality. I have passed the Malarial Inspector's test and possess a certificate from Dr. Dakshinamurthy I am a retired Head Clerk of Dharwar In consideration of the above qualifications I request that I may be recommended for exemption from the examination rules. My age is 55.

I beg to remain
Sir
Your most Obed Servt

Sanry Maistry

This is to certify that Mr. M. Ranjiah Naidu appeared at an examination in malariology conducted by me on 8.7.26 held for the selection of a Malarial Inspector in the Bellary Municipality. He is one of the six candidates for the post; and I found him after examination in theory, practical and oral, that he is the best. I am of opinion therefore that he is able to carry on the work of a Malarial Inspector.

Mr. M. Ranjiah Naidu worked under me as a Rat destruction Inspector for a period of three months. He is conscientious in the discharge of his duties, and Bellary was not infected with Plague, during the time he served under me. I can say that he can carry out Rat-destruction work efficiently.

C2912/31 The President District Board
BELLARY.

Sir,

I have the honour to forward herewith an application from M. Rangiah Naidu sanitarymaistry together with the resolution of the Union Board for exempting him from the examination rules, so that he may be eligible to serve as a Sanitary Inspector of this Union.

He was employed in this Union as a Sanitary maistry on the recommendation of the then District Health Officer Dr. K. Sankaran. He joined his duty on 2-8-27 and worked till 4-11-29 when he proceeded to join the duty of temperance propagandist. Again he has been re-employed in this Union from 6-5-31 and he is continuing .

During the period he worked in this Union he has carried out many ante-maliarial measures within the capacity of the Union finance. He has good knowledge of sanitary requirements and has passed a local examination held by Dr. Dakshnamurthy Ex Municipal Health Officer in Malarialogy.

He was Head Clerk of the District Medical and Sanitary Officer's Office Bellary for a number of years and also a Pleague Inspector in the District having undergone a special training in Madras.

This place is malarious one and SanitaryInspector is Indispensable . The finance of the Union is very slender and the panchyat cannot afford to maintain a highly paid Sanitary Inspector with malarial allowance. The present candidate is a pensioner and willing to serve on Rs 30-0-0 without malarial allowance .

He is designated " Sanitary Maistry "because rules do not permit his being called"Sanitary Inspector " though he is competent to carry out the duties of a Sanitary Inspector. Further a Sanitary Maistry as such cannot function as a Sanitary ~~Ins~~ Inspector under the Local Board's act in connection with conducting prosecutions etc.

In consideration of the above facts ,I place his case before you for a special consideration and strongly recommend his exemption.

I have the honour to be

Sir,

Your most obediant servant ,
